Attend the League's Spring Meetings for Insurance Information, Member Services Updates

In the past, you may have attended two separate Spring Meetings related to the League's member services – one for insurance and one for general League activities, advocacy, etc. This year, we are streamlining our efforts to offer you a more efficient option -- attend the Spring Meeting closest to you to learn about insurance renewals for the health, workers' compensation and property and liability insurance pools; legislative and grassroots advocacy efforts; risk control training opportunities; strategic planning efforts; and other important member services.

We want to make sure municipal officials and staff members are getting the most from your League membership. Join us at one of the breakfast, lunch, or dinner meetings to hear about:

- Insurance renewal information and rates from the League's Health Benefits Trust, Workers' Compensation Trust, and Property and Liability Trust
- Exclusive risk control training and programs from our insurance pools to help save your city or town money and protect your resources
- Legislative updates related to our member-driven municipal advocacy goals
- Advocacy and grassroots efforts and events available to League members
- Legal consulting services
